

International research funding Funding schemes of the NCN and NCBR

Webinar
27 January 2023
9.00 – 13.15

Polish Science Contact Agency (PolSCA) in Brussels of the Polish Academy of Sciences in cooperation with **the National Centre for Research and Development (NCBR)** and **the National Science Centre (NCN)** invites you to a webinar dedicated to international calls for research projects, implemented in multilateral cooperation, especially under **Horizon 2020 and Horizon Europe**.

The representatives of the National Science Centre and the National Centre for Research and Development will present the requirements of the funding schemes under multilateral programs, and above all - will present the current and upcoming calls' portfolio of both funding agencies in this regard.

The training is addressed to academics, research managers, innovators, NGOs, and entrepreneurs working in Poland academic and administrative staff of the Polish Academy of Sciences, and will take place online on **January 27 from 9.00 to 13.15**. The webinar will be held **in English**.

Registration is open **until January 25** through the [registration form](#). Participation in this information meeting is free of charge.

The webinar is being delivered as a part of the **PolSCA webinar series on Horizon Europe** in the synergy with **the PASIFIC programme**.
