

# Horizon Europe Navigators MeetUp. CDE activities in Horizon Europe

15 September 2023, 09:30 – 11:30 (*online*)

## Meeting of the HORIZON EUROPE NAVIGATORS network

An upcoming meeting of the network of science managers across institutes of the Polish Academy of Sciences, the so-called **Horizon Europe Navigators**, will be devoted to the subject of **Communication, Dissemination and Exploitation (CDE) activities** in Horizon Europe projects.

Participants of the meeting will have the opportunity to dive into CDE's definitions (dissemination and exploitation of research results versus communication) and legal basis. They will also learn how to address Horizon Europe's policy and objectives in this area in HE applications, during project implementation, and in reporting. For instance, they will hear about a requirement of drafting, developing and implementing CDE plans during a whole project life cycle.

During second part of the meeting, PAS researchers and research managers will be provided with detailed information about the specific tools of dissemination and exploitation, such as Horizon Results Booster, Horizon Results Platform and Cordis.

This time we will have a great honour to host Ms Alicja Okoniewska, Policy Officer of the Common Knowledge and Data Management Service of the DG RTD, European Commission.

The meeting will be held in Polish.

## AGENDA

### 9:30 – 9.40 | Welcome

Dr Tomasz Poprawka, PolSCA – Polish Science Contact Agency, Brussels

### 09:40 – 10:15 Communication, Dissemination and Exploitation (CDE) activities in Horizon Europe projects

Dr Alicja Okoniewska, DG RTD, European Commission (talk + Q&A)

### 10:15 – 10:25 | Break

### 10:25 – 11:30 | Horizon Results Booster, Horizon Results Platform & Cordis

Dr Alicja Okoniewska, DG RTD, European Commission (talk + Q&A)
