
Horizon Europe Navigators MeetUp

11 May 2023, 09:30 – 12:00 (*online*)

Meeting of the HORIZON EUROPE NAVIGATORS network

An upcoming meeting of the network of science managers across institutes of the Polish Academy of Sciences, the so-called **Horizon Europe Navigators**, will be devoted to the subject of effective participation in the **Maria Skłodowska Curie Actions Postdoctoral Fellowship (MSCA PF)** competition financed under the pillar No. I (Excellent Science) of Horizon Europe. The meeting will be held **in Polish**.

Participants of the meeting will have the opportunity to dive in the MSCA PF action funding (launched on April 12, 2023) international, interdisciplinary and inter-sectoral mobility of excellent researchers holding PhD. PAS Institutes that plan to participate in the call will be provided with detailed information about the MSCA PF goals and call requirements. Moreover, participants will have the opportunity to meet representative of the Research Executive Agency, and MSCA NCP, which operates in the Polish National Agency for Academic Exchange NAWA. The meeting will be an excellent space for dialog regarding various forms of supporting the PAS community in its participation in the MSCA funding schemes.

In addition, possibility of test pitching will be given to representatives of several PAS Institutes before their short speeches at the international meeting powered by the European Commission under [EURAXESS Worldwide](#) initiative.
